

In 1ère LLCER anglais there are two themes: FANTASY and ENCOUNTERS.

We study these themes by analysing literature, films, series, songs, art, theatre etc...

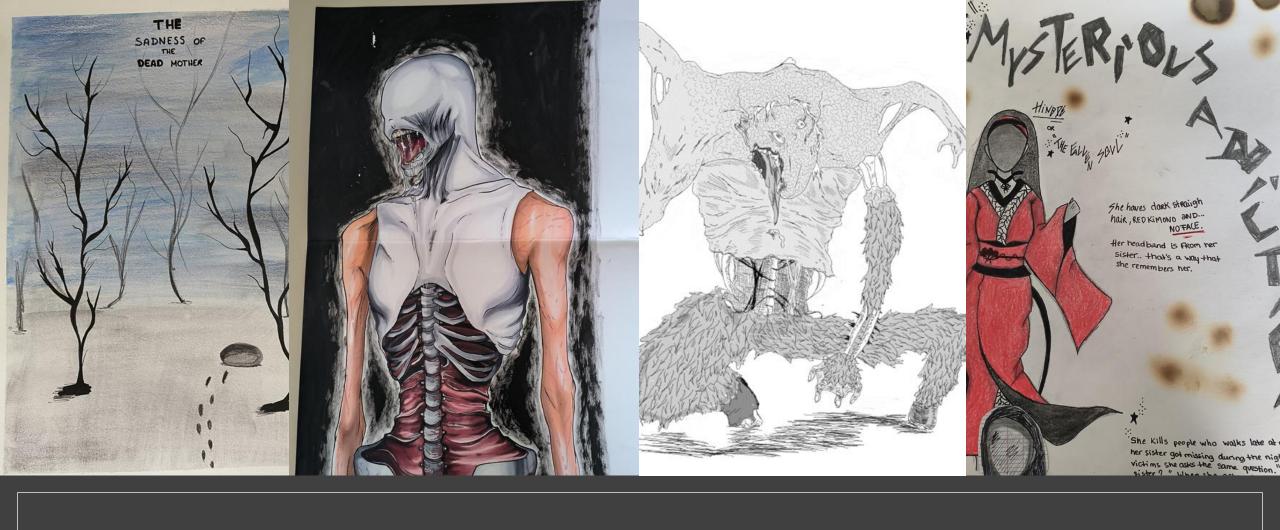

We do lots of different activities, traditional things like text and video analysis, translation and creative writing...

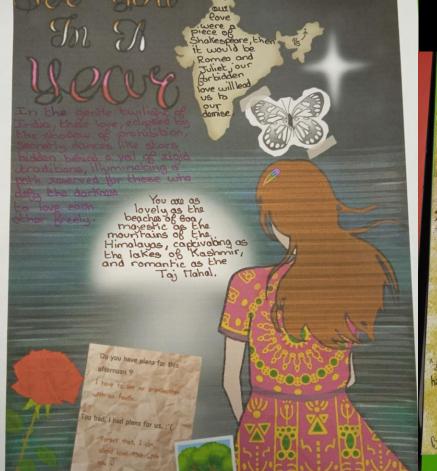

And more creative activities like storyboards, painting, audiobooks and recreating theatre scenes...

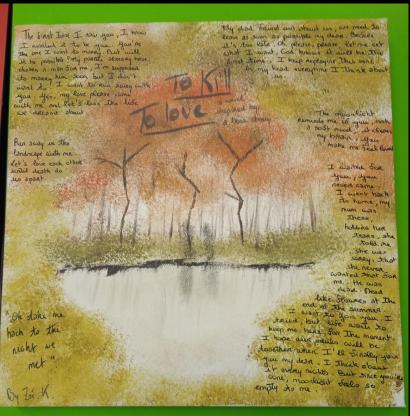

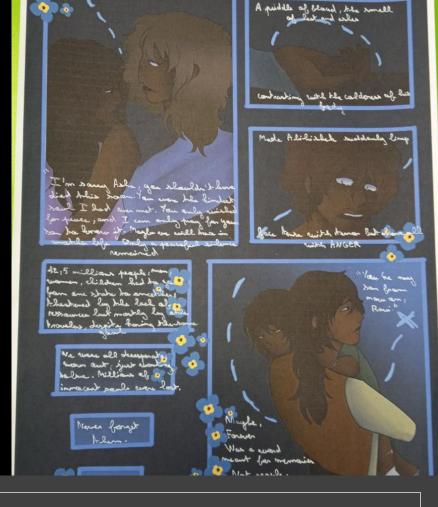

Here are some examples:

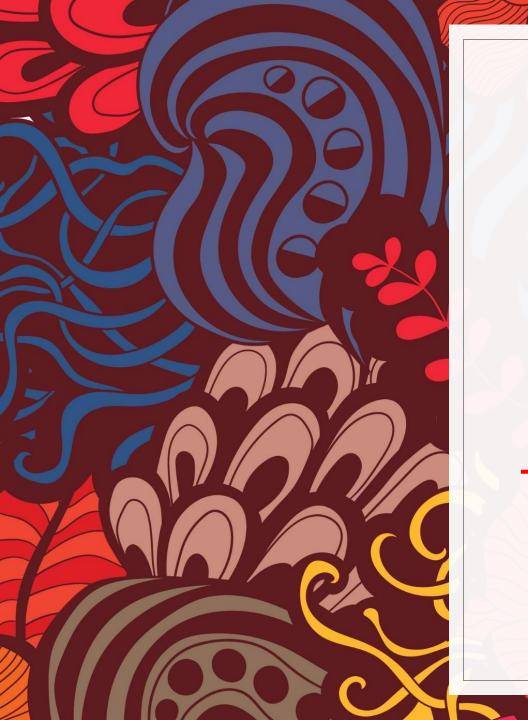

CREATING A GOTHIC MONSTER

CREATING A GRAPHIC NOVEL

We also created an audiobook and filmed theatre scenes...
